

Photo Journalism

The main goal of this class is to study and practice the art of photography. Two types of pictures will be the main stay of this class—pictures for the purpose of publication in the yearbook and newspaper, and photos of choice. We will learn to edit photos in Adobe Photoshop.

There is an outside time requirement in this class, shooting a minimum of three school events a grading period.

Remind 101: Text @98a47 to 512.351.4762 to receive Journalism reminders or email @98a47@mrsriemer@mail.remind101.com

If you have any questions or need to talk to me, please don't hesitate to contact me. My number at school is 594-1247. My email address is kari.riemer@pfisd.net.
